RE: Case No. 97-025

Pursuant to the attached copy of the letter I received and relating to the case as referenced above, I want to go on record as **strongly** objecting to the construction of this tower.

We purchased the Dupont Professional Towers just over two years ago and have expended substantial money to improve the property. We finally have obtained occupancy over 90%. Being that our property projects approximately 100 feet into the air we are going to be looking right into this monstrosity.

We are prepared to get an attorney involved but would appreciate hearing back from the appropriate person prior to doing this.

I can be reached during business hours at 502-897-3310.

Thank you for your assistance with the above.

Sincerely,

Hoagland Commercial Realtors
